

Be a good sport

Play your part in respecting our community,
while you **play**, **coach** or **spectate**.

At Fife Sports and Leisure Trust, we pride ourselves on delivering a welcoming environment for our staff, visitors and the local community. We want everyone to play their part in being a good sport on and off the pitch by demonstrating consideration to local residents around our facilities, our staff and visitors.

We want to remind you of the following points to ensure everyone has a positive experience;

- Please treat our staff and other visitors politely and with respect.
- No aggressive behaviour.
- No foul language.
- No food or drink is allowed on the pitches, except for plastic water bottles which can be kept behind the goals or on the sidelines.

For more information please scan
the QR barcode or visit our website.

Let's make Dalgety Bay, the Sports Centre and surrounding areas safer!

Please do not park in the following areas

Pavements or cycle paths

Road Junctions or Corners

Residential Streets

Start your exercise by leaving your car at home. Get fitter, help the environment and make the area safer.

Cycle

Use the traffic-free cycle routes when visiting the centre.

Walk

It's the perfect warm-up to your workout.

Catch a train

The train station is a 5-minute walk at the bottom of the road.

Car Share

If you must use the car, then perhaps you could car share.

Park futher away

Parking further away and walking to the leisure centre.

Take the Bus

Several bus routes serving the area.

Public transportation and cycle information

Train Station - off main street Hillend.

Bus Stops either side of Harbour Drive A92

Cycle Path - Harbour Drive

Cycle Path - Western Access Road to A921

A921
