about the  
**Environment!**

In partnership with Fife Council, we've installed a brand-new heat pump system and upgraded our heating infrastructure at the **Beacon Leisure Centre!**

**SAVING**

**1.9** million  
**kWh**

about the  
**Environment!**

Scottish Government  
Riaghaltas na h-Alba  
gov.scot

Supported by funding from the  
Scottish Government and Fife  
Council, **these improvements**  
**will help us cut our carbon**  
**emissions by over**

**4000** tonnes

of **CO<sub>2</sub>e**  
annually

*about the*  
**Environment!**

And there's even more good news... **Solar panels have also been installed, delivering a peak output of**

**186** kW

**of electricity**

*about the*  
***Environment!***

**At Beacon Leisure Centre, we're  
committed to making a positive impact  
on both our community and the  
environment.**

*about the*  
***Environment!***

**We're proud to be shouting about these achievements alongside the Seriously Social campaign with Community Leisure UK, celebrating the powerful role community leisure venues play in building healthier, greener futures for everyone!**

*about the  
Environment!*

**Together, we're lighting the  
way for change!**
